DEFRA (Ref: MO43) For Weather Forecast Planning Issued on Saturday, 24 July 2021 at 04:01 local time

Air Quality Forecast for the UK

Issued by the Met Office

Today: Apart for some small areas of Moderate air pollution possibly across southern England, air pollutions will be Low across the UK.

Tomorrow: Locally Moderate areas of air pollution may occur across parts of southwest England and south Wales. Otherwise Low levels of air pollution are expected across the UK.

Outlook: Locally Moderate areas of air pollution may occur across southern England on Monday, otherwise air pollution levels are expected to be predominantly Low, aided by unsettled weather conditions.
